Summary

The school year 2013 / 2014 has been a busy year for Tipperty School and the Parent Council.

Again this year we have particularly appreciated the attendance and support provided by the parents and staff at Parent Council meetings. I would like to take the opportunity to thank those who have taken part, but we do need to encourage increased support for the upcoming session.

Big thanks is extended to the committee members and other parents and staff for their work this year in planning and executing our fund raising activities, some of which are detailed in this report.

Also thanks to Councillor Rob Merson for participating in our meetings throughout the year, and for all his input and help in dealing with various council related matters.

Last but not least a particular thanks to Elaine Harrower who as secretary this year has put a lot of time in effort in ensuring the council meeting notes are recorded and distributed, and Treasurer Sarah Reid for keeping our finances in great order.

Thank you for your continuing support.

Mark Temple

Chair 2013/2014

Tipperty School Parent Council

Fund Raising Summary

The Parent Council has and school has been busy regarding fundraising this year, our efforts concentrated on our Christmas Fayre:

Christmas Fayre

Our main project this year was without doubt the Christmas Fayre. The event proved a huge success and the Council would like to extend its gratitude to parents and staff for all the planning and work that went on behind the scenes that made this event the success it was.

A phenomenal **£1,200** was raised resulting in an addition to the school fund of around £1,100, so a big thank you to all who donated time and gifts and all who attended and spent their hard earned cash for the benefit of the school.

Playground Upgrade

The school applied and received funding from the lottery to upgrade the playground area to a soft durable surface, and to apply some games into the surface at the same time. This is a great improvement and we should all thank Lorna for her tireless efforts in making this happen.

Other Events

During the year there were several training sessions to promote awareness of first aid among the parents of pupils at the school. These sessions were funded by the parents who participated.

There are many events and trips organized by the school throughout the year that the children benefit from that are only possible through money raised at fundraising events such as our Christmas Fayre so it is important that we as a community continue to support them as well as we have this year.

Financial Statement

Tipperty School Parent Council
